

# KENSINGTON TRIMS

## PREMIUM FLOORING TRIMS

**BRUSHED  
BLACK**

**BRUSHED  
GOLD**

**BRUSHED  
IRON GREY**

**MATT**

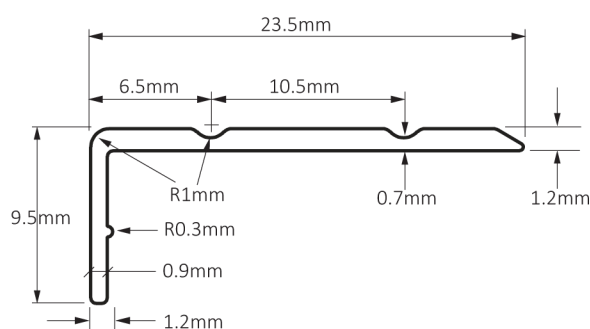

**BRUSHED**

**POLISHED**

### EDGE - 8mm

Self adhesive edge trim.  
Available in 8mm - 17mm sizes.

*NB. Drawings not to scale.*

## PRODUCT DATA

### Material:

Aluminium 6063-T5

### Alloying elements:

Si (0.2-0.6%), Mg (0.45-0.9%), with the remainder being Al and trace impurities.

### Mechanical properties:

Tensile strength (b) for 6063-T5:  $\geq 160$  MPa  
Yield strength (0.2) for 6063-T5:  $\geq 110$  MPa  
Elongation ( ):  $\geq 8\%$   
Hardness: 6063-T5  $\geq 8$  HW (Wehb hardness)

### Environmental performance:

### Corrosion resistance:

Salt spray test (NSS) – anodized film  $\geq 500$  hours without corrosion

### Surface treatment film thickness (anodizing):

AA15 (film thickness  $\geq 15$   $\mu\text{m}$ )

### Weather resistance:

UV aging test (QUV) – 500 hours

### Surface treatment:

Anodizing

### Lengths available:

900mm, 2700mm
